Our Mission

Our mission at Jackson Friends Church Sports & Recreation is to provide an atmosphere that establishes the highest standards for spiritual, emotional and mental health. We encourage everyone who does not know Jesus Christ to establish a personal relationship with Him. We encourage a deeper walk for those who already have a personal relationship with Jesus Christ. We seek to provide a place for sports and other recreational activities that will enhance fellowship and inter-personal relationships. We seek to provide a scriptural basis for competition in all our programs. We strive to achieve a fun and positive experience for everyone involved. We provide training for coaches here at the church. We make these programs available to the community regardless of the person's race, sex, creed or church background.

Trying for a School Team?

We realize that most school teams will not be chosen until mid November, making it difficult to register for this league after cuts. If you register your child for this league, you will be assured of a spot. Then, if your child makes the school team, your money will be refunded. If you don't register early, you run the risk of being shut out of this league.
